Cirrus Advantage \$44,900 / Weight Δ: 3 lbs.

Upgrade to **14" screens** for tremendous situational awareness and 36% more screen real estate over the standard 12" screens. **Taxiway Routing** promotes confident and safe taxiing, even at the most complex airports. **Garmin[®] SurfaceWatch^{™1}** monitors your aircraft's position and helps avoid inadvertent takeoffs or landings on the wrong runway.
